

Nevada Reclamation Awards

The Nevada Excellence in Mine Reclamation Awards Committee

is seeking nominations for outstanding mining or exploration projects

in Nevada which exhibit excellent mitigation of the environmental impacts of mineral industry activity.

View looking south at Duffy Pond after successful completion of a wildlife habitat restoration project by Coeur Mining near the Rochester Mine, Apr. 2024.

Vegetation covering the west slope of the Bald Mountain Mine Process 1 Heap Leach Pad and pond reclaimed by KG Mining, June 2024.

The basis of the award is outstanding reclamation success; however, areas of innovation for the protection of air and water quality, cooperative partnerships, cultural preservation, off-site mitigation and wildlife habitat enhancement will be considered.

For more information, please visit the Division of Minerals [Mining Program](https://minerals.nv.gov) page at minerals.nv.gov

Deadline for the 2025 award year is **May 30th, 2025**
